

Dear Subscribers,

**Revision of InteReq Subscription Fee**

Thank you very much for your continued support for InteReq over the last 25 years.

Over the years we have been upgrading and refreshing our technology infrastructure to ensure you have uninterrupted ease of access to critical legal requisition services. At the same time, we have been diligent in managing costs such that there has been no fee revision for the past seven years.

Since Covid 19, as with many other businesses, we have faced significant inflationary pressures resulting from increases in operational and third-party costs. This has made it challenging to sustain the services at the current pricing levels. We are thus introducing a revised fee structure commencing 1 March 2024.

The changes in fee structure wef 1<sup>st</sup> March 2024 are as follows:

<b>Subscribers</b>	<b>Current Price</b>	<b>New Price</b>
Monthly Subscription per ID	\$12.00	\$20.00
